LAKE VIEW MEMORIAL HOSPITAL

SCHOOL OF NURSING

FOREWORD

"Happiness is not a goal; it is a way of living"

With the passing of years, you may look upon this school year as a time when a new way of living was being revealed to you.

To preserve a record of these moments and the countless other experiences of you and your classmates, this annual strives to capture the "eyes" and "minds" of the scholarships, the leadership, the activities, and the character of Lake View Memorial Hospital School of Nursing.
